The NEW MAN.

There is a new species new going about
That belongs to the genus man
Will try to describe him, the without doubt.
To quite do him justice nobedy can.
His trousers are tight, his logs out of sight;
His shirtwaist so spick and span,
In his hand a white straw, which Manila

ne'er saw. With a spotted and speckled band; On his right arm is shown that a coat he does

own,
Round his waist-a broad belt of tan.
In the book of fame you'll find his name
Inscribed as the "Coatless Man."
One favor of this "chappie" we'd now like to

ask,
If to still further shedding his mind should Incline— That while he's engaged in his self-peeling

task,
To remember "there are others" and respect "the belt line."

B. B.

SCORED BY WOLSELEY .- Lord Wolseley, field marshal and commander in chief of the British army, delivered, according to the Daily Mail, the most scathing condemnations e.er heard at Aldershot after witnessing Wednes day's maneuvers there. He declared that the 30,000 men who participated were utterly unfit to send abroad, being

badly led and badly taught.

Many distinguished officers listened to these remarks, among them being Gen. Montgomery Moore, formerly in command in Canada, but now com-manding at Aldershot.

Troublesome to the Army.

During the civil war, as well as in our late war with Spain, diarrhoea was one of the most troublesome diseases the army had to contend with. In many instances it became chronic and the old soldiers still suffer from it. Mr. David Taylor of Wind Ridge, Greene Co., Pa., is one of these. He uses Chamberlain's Colic, Colera and Diarrhoea Remedy and says he never found anything that would give him such a quick relief. It is for sale by all druggists.

In India, the land of famine, thousands die In India, the land of ramine, thousands die because they cannot obtain food. In Amer-ics, the land of plenty, many suffer and die because they cannot digest the food they eat. Kodel Dyspepsis Cure digests what you eat. It instantly relieves and radically cures all stomach troubles.
